Mission possible

Four tools were created to inspire and teach the younger generation about Arcadis and to ensure retention of new employees at onboarding. A [presentation](#) and [handout](#) were compiled to describe two recruiting tools (Arcadis RISE and Social Media training) and two onboarding tools (a dynamic onboarding program and a localized platform for learning Arcadis capabilities).

Road to Engagement

The Arcadis Connector team created a dialogue board game, The Road to Engagement, to discuss the key strategic themes and core values of Arcadis. A hard copy of the board game will be sent to each AGLF participant. Global Shapers will spread the word about the Board Game via a instructional toolkit ([pdf](#) and [ppt](#)).

Living our passion

The Global Shapers 2015 are initiating a movement to bring our passion to life. The goal is to inspire Arcadians by sharing messages of how each of you is improving the quality of life. Instructions for participating in the Passion Movement are saved [here](#). Find the first #PassThePassion videos on Vimeo [here](#).
